Walk information

It is possible for leaders to have extra information added to their walk details. This extra information will appear on the walks finder sections on the ramblers website and App. It may help walkers decide which walk they wish to join and appear a bit more inviting to non regulars.

It is entirely voluntary but if you would like to do it please send the information to Penny (email pennyhudson1@aol.com) who will add it to your walk.

Children in Need Ramble

The first CIN Ramble organised by Ryedale Ramblers was a success so we intend to build on that success and are organising the 2020 Ramble for 25th October. This date is still open to confirmation by Castle Howard so watch out for further information in the next Newsletter.
