

Dear Ryedale Rambler

We have a full programme of planned walks until the end of April and the details are included below. Please check the website for any changes nearer the date at www.eastyorkshireramblers.org.uk

Once again thank you to all our leaders who make this possible.

If you think you might like to lead a walk in the future and would like some help with the planning or company on a 'reccy' please contact me and I will find you a 'walk buddy'.

Sunday 2nd April – Andy Goldsworthy Sculpture Trail (Hanging Stones)

We have a special event on Sunday 2nd April. We have arranged a private group booking for the Andy Goldsworthy Sculpture Trail near Rosedale. We will meet in Rosedale and complete the 6 mile walk which includes various art installations in rural barns. For more information see www.hangingstones.org. There will be three small groups so we can plan our viewings without overcrowding. It is a very special experience which we hope you will enjoy. There is a suggested donation to the charity of £10 per person. Therefore if you would like to come please book in advance by contacting me (pennyhudson1@aol.com or 07801428902).

Pay by bank transfer if possible putting your name in the reference (or cash to Penny)

Bank Account no: 20117054 Sort Code: 60-83-01

Publicity

Following a trial of using Facebook we have now decided to close this and instead begin to post photos on the East Yorkshire Ramblers website. If anyone who walks with us and takes photos could help with this, it would be much appreciated. Please mention your interest on a walk as I believe most members would really enjoy seeing them.

Footpath Issues

NYCC have introduced a new online reporting system for footpath issues. It still needs a grid reference and photograph. It can be accessed on the following link [Rights of way maintenance | North Yorkshire County Council](#) under the 'How do I report a right of way issue?' drop down.

Finally, I have seen snowdrops and aconites so hopefully Spring is on its way.
